

Cardiology: from present to the future

***June 1-2, 2012
Samara, Russia***

First Announcement

Dear Colleagues,

We are pleased to invite you to the First International Forum of Young Cardiologists, which will take place in the heart of Russia, on the banks of the Volga River - in Samara city.

This Forum will be a platform for scientific and clinical exchange of young professionals from Europe, CIS countries and Russia, as well as an opportunity for young doctors to improve their skills.

Many scientific and practical sessions are planning during the Forum, where young professionals will make presentations, and attend master classes with leading experts from Russia, CIS and the ESC on actual and complex issues of prevention, diagnosis and treatment of cardiovascular diseases.

Looking forward seeing You in Samara!

On behalf of the Organizing Committee

Eugeny Shlyakhto

President Of the Society of Cardiology of the Russian Federation
